Artists, audiences All Together Now via versatile new tech

Community engagement is a much deeper concept, meant to foster relationships between an organization and a community, with both parties receiving benefits.

Satri Pencak

It is hard work and it takes time. With funding from Rhode Island Commerce, we provided a cohort of local creatives with coaching and tools to help them succeed in these challenging times.

FirstWorks

Examples of those tools are SpyFu. It is only once we acknowledge the work we are currently doing that we are able to grow. Most people in graphic design have started as freelancers as it is a great opportunity to see what the designers are good at.

Art and Audience on JSTOR

Join FirstWorks for a journey from global Jazz to Americana, from hip-hop, to sounds from the mountains and rhythms of the sea. Make sure you work smart and work hard.
