Urbanization and Its Challenges

Around —where until the late 17th century the plains and sierras of provided a bare living from wheat, vines, and olives—disastrous resulted in mass emigration.

Man Drought: Australian Demographer reveals where all the men are

A former mental health service user at Open Door, she interviewed artist Grayson Perry in a video project for the coming exhibition.

Nine world issues that are still going on, but we forgot to care about

When not one of them admitted responsibility, an irritated Roosevelt ordered the dishonorable discharge of three companies of black soldiers 160 men without a trial.

Promoting Democracy and Human Rights: Lessons of the 1990s

Tune in to the bottom of this blog to find out. Indeed, more than 1 billion people live on less than one dollar a day.

Climate change in antiquity: Mass emigration due to water scarcity

Mr Salt, who drew on official statistics and his own research to write Man Drought And Other Social Issues Of The New Century, said men were increasingly being drawn overseas as part of the internationalisation of the labour market. This was a large, horse-drawn carriage, often placed on iron or steel tracks to provide a smoother ride. The new demand for workers spurred a massive influx of job-seekers from both rural areas of the United States and from eastern and southern Europe.

It's never been easy being a teenager. But is this now a generation in crisis?

Change extended even to the bureaucracy.

What are the 10 biggest global challenges?

More than half of the 4,000 surveyed were having to live at home with their parents.

The Sixties

This year the UN Human Rights Commission passed a resolution declaring democracy itself to be a fundamental human right. We have room for but one flag, the American flag. Most transportation infrastructure was used to connect cities to each other, typically by rail or canal.
