He is author of the book *Looking like a Language, Sounding like a Race: Raciolinguistic Ideologies and the Learning of Latinidad* 2019, Oxford University Press and co-editor of the volume *Language and Social Justice in Practice* 2019, Routledge. So haircuts come up in conversations and other sorts of dynamics.

The SAGE Handbook of Research on Teacher Education

My contribution focused on understanding the influence of teacher education programs on the views and dispositions related to teaching and learning to teach, for prospective and experienced teachers as they enter diverse programs. And figuring out the specificity of that I think is incredibly powerful. In the last two years, it was very difficult for me to accept any teaching at all, because I never knew how much the teacher believed in or not.
