Since publication of the first edition more than ten years ago, it has established itself as an indispensable reference source for everyone who needs rapid access on archives and archive repositories in this country.

HANDLIST OF PARISH AND TRANSCRIPTS.

This is an A to Z glossary of terms relating to genealogical research in Britain.

HANDLIST OF PARISH AND TRANSCRIPTS.

Entries are structured to show the archives of the organisation as distinct from deposited collections and significant non-manuscript material, and additional details of fax number and conservation provision are included for the first time. Since it was first published in 1982 British Archives has established itself as the premier reference work to holdings of archives and manuscript collections throughout the UK.
