King Richard II: Understanding Shakespeare's History Plays

John rose through local offices in Stratford, becoming an alderman and eventually, when William was five, the town bailiff—much like a mayor. Henry VI, Part 2 Ah, gracious lord, these days are dangerous. It is true that in the type we have frequently the villain-hero, but the interest there depends rather on his courage and independence of man and God than on his villainy.

William Shakespeare

What is decreed must be; and be this so.

King Richard II: Understanding Shakespeare's History Plays

At the very end, to be sure, the winds fall and cease, and the waves break back on themselves in a mighty subsidence; but it is the calm of a supreme exaltation. Julius Caesar Cowards die many times before their deaths; The valiant never taste of death but once. It is believed that Wilkins wrote the first half, and Shakespeare the second half.
