### Lawrence Kohlberg's stages of moral development

To this extent, it would not be the case that the presence of multiple cultural voices in American society would operate to increase the strength of the school-culture.

### Lawrence Kohlberg's stages of moral development

The result is a forward-thinking curriculum built on active learning techniques that extend beyond the classroom. There are adult models, but the church community also encourages peers to display moral behavior toward each other.

### Social Emotional Learning and Character Development

In this stage, it is important to begin to lay the groundwork to encourage moral behaviors. Thomas, in , 2001 1.

### Adolescent Moral Development

Should parents try to prevent a cleavage between themselves and their child by creating a relationship where the child remains {70} essentially dependent upon the parent? Some youth who have reached the highest levels of moral development may feel passionate about their moral code; as such, they may choose to participate in activities that demonstrate their moral convictions. .
