Migration crisis in the EU: developing a framework for analysis of national security and defence strategies

Occupational injuries under the National Insurance Act of 17 June 1966 applicable in the case of injuries occurring after 1 January 1971. If economic and social security of these individuals is granted, the area of socio-economic exclusion will be restricted. This analysis reveals a divisive approach to migration-security nexus since there is a heterogeneous presence of migration issues in national security and defence strategies.

Social Security Implications for Global Assignments

Agreement relating to insurance and workmen's compensation between the Minister for Social Welfare and the Northern Ireland Ministry of Labour and National Insurance of 22 July 1964. Since 2015, the migration crisis has gone to the centre of both European and national political agendas in a time when MS were still unequally and slowly recovering their economic growth and employment rates. The total number of quarters of coverage to be credited for a year shall not exceed 4.

gov.ie

Convention between the Republic of Italy and the Kingdom of Norway on social security, dated 12 June 1959.

Treaty List

For each State ratifying the present Covenant or acceding to it after the deposit of the thirty-fifth instrument of ratification or instrument of accession, the present Covenant shall enter into force three months after the date of the deposit of its own instrument of ratification or instrument of accession.

gov.ie

Agreement between the Government of the Republic of Estonia and the Government of the Kingdom of Sweden on medical care for temporary visitors, signed on 16 June 1993, entered into force on 1 November 1993. It rather means that every MS should participate in a common strategy, either by hosting immigrants and refugees, or by sparing financial, human, and structural resources.
