**A selection of the correspondence of Linnaeus and other naturalists, from the original manuscripts : Linné, Carl von, 1707**

They have been exhibited in Abu Dhabi, Australia, Canada, Japan, and The United States.

**Linnaeus and His Disciple in Carolina: Alexander Garden on JSTOR**

Linnaeus's library also includes all the students' dissertations that he supervised. Whatever new species might have arisen from the primae species, the original species in the Garden of Eden, were still part of God's plan for creation, for they had always potentially been present. Books The private library of Linnaeus some 1,600 volumes consists of the books Linnaeus used as reference material, many of them given to him by fellow naturalists and admirers all over the world.

**A selection of the correspondence of Linnaeus and other naturalists; from the original manuscripts. By Sir James Edward Smith.**
