Power grab: Company that promises 100% renewable energy wants to challenge APS, Tucson Electric

Andrew Cuomo of New York has come under fire following an investigation into his conduct by New York Attorney General Letitia James, which found 11 counts of sexual harassment.

Investment essential to avert global energy crisis: Report

Past attempts to launch competition Arizona has previously flirted with electric retail competition. Rystadt, the US energy consultancy, estimated that globally oil and gas companies cut their capital expenditure — capex — by 30 percent last year.

Arab energy: prospects to 2000 (Book)

The world energy consumption has then been divided into industrialized and developing countries. More than 20 years ago the state was on the cusp of offering consumers a choice, but the initiative stalled and has faced sporadic attempts to restart in the years since.

Energy demands and renewable energy resources in the Middle East

That effectively ended deregulation in the state for the time. Attempts to forecast the demand and supply of energy in the Arab world for 1985, 1990 and 2000 are discussed. The sponsors of the conference were the Organization of Arab Petroleum Exporting Countries OAPEC ; the Arab Fund for Economic and Social Development AFESD ; the League of Arab States; and the Arab Industrial Development and Mining Organization.
