## Julius Caesar in Western Culture

Franco-German reconciliation became a self-fulfilling prophecy, as publics, politicians, and officials began to expect and promote further cooperation over time. Netflix's success encouraged the creation of numerous other streaming services, such as , , and , which within a year of its launch overtook Netflix as the most downloaded television streaming application. In recent years Saudi Arabia has added a substantial military capability to its arsenal, with spending that exceeds all other nations apart from America, China, and Russia.

## Regional power

Conscription periods have been shortened. At the same time, we embarked on an unprecedented course of unilateralism: refusing to pursue ratification of the Comprehensive Nuclear Test Ban Treaty, abandoning our commitment to nuclear nonproliferation, and turning our backs on the search for peace in the Middle East.

## Big Four (Western Europe)

France realized that its occupation of the Ruhr had caused more financial and diplomatic damage than it was worth, and went along with the plan. The estimates that will reach 9.

## 10 Potential Global Superpowers

It adopted Pro-European, Pro-German, anti British, anti liberal political and economic views.

## Julius Caesar in Western Culture

Other diseases, such as , , the and variations, are also causes for concern. This made China the third country in the world to have indigenous manned space capability.

## 10 Potential Global Superpowers

Both Saudi Arabia and Iran are Islamic countries.
