Quran

There are those who try to justify their inclusion of the name of prophet Muhammad in their testimony by saying that when prophet Muhammad was sent with the Quran, the Jews and Christians rejected him as a true messenger of God, and thus they testify that Muhammad is the messenger of God to proclaim their acceptance of him, as opposed to the Jews and Christians who rejected him. It is true that the Jews and Christians reject the prophet Muhammad, but they also reject the Quran as being the true word of God.

Quran

Unquestionably, it is to God that the pure religion is due. Fourth The fourth reason why the correct Testimony must contain the name of God and no one else is the fact that we are commanded in the Quran not to make any distinction between any of God's messengers: The messenger has believed in what was brought down to him from his Lord, and so did the believers.

Quran

This very first pillar of Islam is stated clearly in the Quran exactly as it was revealed to the recipients of previous Scriptures.

Moses was also a messenger of God among many others, why do they not testify to any of the other messengers? Why aren't any of these Muslims uttering such a testimony to declare their acceptance of the Quran which the Jews and Christians rejected? It is also interesting that all those who idolise the prophet or members of his family e. اللَّهُمَّ إِنَّ يَكُنْ هَذَا الْأَمْرُ خَيْرًا لِي فِي عَاجِلِ الدُّنْيَا وَالْآخِرَةِ، فَسَلِّهُ لِي وَيَسِّرْهُ عَلَيَّ، وَإِنْ لَمْ يَكُنْ فَاصْرِفْهُ عَنِّي. This argument is clearly flawed.
