## The Dangers of the Silent Compromising Church

The pulpit may not be dead as it was in Ephesus but it will be misled. MTD is not simply the de facto religion of American teenagers, but also of American adults. In fact, in every survey from 2016 through 2020, at least half of liberal members of Gen Z say that they are atheists, agnostics, or nothing in particular.

## God's schools : choice and compromise in American society : Wagner, Melinda Bollar, 1948

To have that fair shot, children and their families must be free to pursue an educational environment that matches their individual learning style, develops their unique talents, and prepares them with the knowledge and character needed for fulfilling and productive lives.

## The Dangers of the Silent Compromising Church

Read this book, learn from the people you meet in it, and be inspired by the testimony of the lives of the monks. I can proudly announce tonight that an Opportunity Scholarship has become available, it is going to you, and you will soon be heading to the school of your choice! I pray Lord that as they are taught the Holy Spirit will lead each one to the Truth of Jesus Christ and that those things that are not of You must Stand Down and be covered in the Blood of Jesus not to ever raise up again in the minds of the children. This is exceedingly hypocritical, since American businesses involved in homosexual activism maintain normal business relations and investment in countries in which homosexual behavior is criminal.

## The Struggle for School Choice in Biden's America

The very state that has unsuccessfully tried every coercive and persuasive measure to force Christian schools from the fold, now offers the glitter of gold. Some school officials responded to the mix of student liberties and restraints by forbidding certain forms of student-initiated religious

expression such as the saying of grace before lunch in the school cafeteria, student-sponsored gatherings for prayer at designated spots on school property, or student proselytizing aimed at other students.
