## Making Love: An Erotic Odyssey book by Richard Rhodes

Rhodes' vividly told journey of self-discovery provides a pathway, showing us by example how to look at our own intimate lives and histories. Library Journal Pulitzer-winner Rhodes, apparently galvanized by the overwhelming emotional response to his account of his abused childhood in *A Hole in the World* 1990, pushes still deeper into forbidden territory with this frank exploration of how he learned to heal his wounds, largely unconsciously, through sex.

The result is a sexual autobiography that intentionally and methodically breaks most of the bounds of literary propriety and that will leave many loyal readers breathless. Rhodes describes, in incredible detail, his near-daily practice of masturbating to pornography. This is not an instruction book, it is a partial overview of human sexuality at its most emotional level.

## What He Learned in Bed

Making Love marks the first time a major author has written with such unapologetic candor of his most intimate experiences, fantasies, and thoughts. I am glad I did.
