George Orwell: Rudyard Kipling

The first of these is incredibly central to the poem. He could not foresee, therefore, that the same motives which brought the Empire into existence would end by destroying it.

A Choice of Kipling's Verse made by T. S. Eliot with an Essay on Rudyard Kipling.

. He knows that bullets hurt, that under fire everyone is terrified, that the ordinary soldier never knows what the war is about or what is happening except in his own corner of the battlefield, and that British troops, like other troops, frequently run away: I 'eard the knives be'ind me, but I dursn't face my man, Nor I don't know where I went to, 'cause I didn't stop to see, Till I 'eard a beggar squealin' out for quarter as 'e ran, An' I thought I knew the voice an' — it was me! Eliot doubted whether anyone could make the most of two such different forms of expression as poetry and imaginative prose.
