The same emphasis on moderation, responsibility, and selfrestraint is found in the Precepts of the Elders, a class of literature written in a high-flown and wordy style to instruct young people in behavior and manners. Although the city was for a time a vassal, it prospered and managed to increase the size of its island location on the western shore of Lake Texcoco by adding extra soil to the east and by capturing lakeshore chinampas from other cities. The Purépechas defeated them and the army withdrew.
