Splash Mountain is a log flume ride and it tells the tale of Brer Rabbit, Brer Fox and Brer Bear and their adventures in the Briar Patch. Try to watch for shooting stars, satellites and hang on through the twists and turns. It looks like Disney is peeling back the curtain to give us a glimpse at the everyday lives of the people who bring the magic of Disney parks to life! Be careful when buying third-party tickets to the Magic Kingdom.

You'll also get access to AllEars tips, reviews, trivia, and MORE! Each land has a completely different theming and a unique feel with attractions that go to that theme. They're full of interesting little tidbits and insights into the design, development, and building of the parks, rides, and shows, and there are a lot of good illustrations though I often wish the books were a bit bigger so that the illustrations could be a bit bigger.

The Imagineering Field Guide to the... book by Alex Wright

I found several pieces of Kilimanjaro Safari's in the chapter for Africa spread throughout that chapter but not grouped into a specific page or two like the others were organized, as well as a bunch of other attractions in the parks as was written in this book.

Part 5: A Virtual Tour of Walt Disney Imagineering

I'm glad I took this Walt Disney World Imagineering Field Guide last, otherwise I would have shelved the book for eternity! Prepare to straddle what feels somewhat like one of those motorcycles at an arcade, be secured in, and then using 3D screen technology, awesome 4D effects, and motion simulation — feel like you are literally flying on the back of a mountain banshee in the most exhilarating way.

Tour of Walt Disney Imagineering Headquarters

After all, this is the place where legendary Disney theme park attractions such as Big Thunder Mountain and Pirates of the Caribbean were born.
