JUSTICES OF THE PEACE FROM 1558 TO 1688 1, Historical Research

The winners in this game were the gentry, who were able to assume many of the powers formerly held by the nobility, as well as occasionally their titles.

Vol. 75, No. 4, Apr., 1970 of The American Historical Review on JSTOR

Although the justice of the peace remained the most prominent voice heard by the central government from the shires, it became necessary for the monarch and parliament to install certain safeguards to protect the commissions from being overly sectional. He spent the next years of his life largely focused on surveying county histories and building his own estates.

The justices of the peace in England, 1558 to 1640: a later Eirenarcha, by J. H. Gleason

Gender, Youth, Family, Courtship Peters, Christine. He had a devotion to both scholarship and county administration—particularly following his call to the bar in 1567. Tanner Cambridge University Press, 1951 , p.
