The secret history of Britain's Spanish civil war volunteers

Local media are censored and foreign observers - from Members of the European Parliament to international human rights NGOs and journalists - are systematically expelled. . Here we must, all of us, make a very thorough analysis.

Spanish government plans bill to ban Francoist foundation

Economic crisis 2009 January - Spanish economy enters recession for first time since 1993. The use of Spanish archival sources to support the testimony provided in oral evidence is impressive and gives the analysis a tremendous depth. He denies that Franco was a coup-monger who overthrew a democratic government.

France and the Spanish Civil War

That fight has led to some 800 deaths over the last 30 years, many of them members of the Guardia Civil, Spain's national police force, and both local and national politicians who are opposed to ETA's separatist demands. It brings out the regional divergences of the Enlightenment experience, shaped by different local intellectual and economic priorities.

Politics and Nations

POUM were Trotskyist, anti-Stalinist communists who were poorly equipped, and persecuted by the Spanish and Soviet Communists. Instead he has plunged the country into a fourth election in as many years.

Digging up Franco risks opening old wounds

The conservative Democratic Coalition led by Manuel Fraga gained 106 seats and formed the official opposition.

The Spanish Civil War

But in the absence of any progress, its main task has been to monitor the fragile ceasefire. This will facilitate the task of producing a genuinely rounded collective biography of the British volunteers. It was a global revolution, and in every country it was different.

When Britain and France Almost Merged Into One Country

Juan Carlos Teresa Silverio Alfonso de Borbón y Battenberg, conde de Barcelona popularly known as , heir of , presented the as something acceptable to the democratic powers and offered himself as king of all Spaniards, victors and vanquished alike.
