The duck is first marinated with spices, then steamed until tender, and finally deep fried until crispy. In other words, that they deserved it, at least to some degree. Even when there is enough evidence, sometimes things don't go the right way and the perpetrator can get away with it without any or with minimal consequences.

### Peking duck

First, slices of duck skin are served with sugar and as dip. Women and girls face similar problems and other social issues where many victims are female and most violent abusers are men. The meat has less fat and is drier and crispier compared to that of Peking duck.
