Country Fact Sheet

Currently, there is little information available to assess the progress on prevention and protection of gender-based violence.

Women in Uzbekistan

Even though the Constitution guarantees equal rights, opportunities for men and women still are far from equal. The representative said that the Government had identified six main directions of work for the advancement of women.

Enhancing women's rights in Uzbekistan

Many people believe that women are possessions of the family unit.

Uzbekistan Passes Law on Gender Equality

He emphasized the Government's full commitment to continuing its work in that regard and to overcoming the obstacles that the women of Uzbekistan continued to encounter. A 2019 presidential decree mandated the MOI to establish a law enforcement trafficking data repository; this process was significantly delayed in 2020 due to the pandemic, but authorities reportedly resumed the work through a third-party organization prior to the end of the reporting period. She also noted that by the Government of Uzbekistan recognizes, and is giving close attention to providing opportunities for integrating women into various spheres of life, and developing and implementing a long-term state policy aimed to increase the social status of women.

2021 Trafficking in Persons Report: Uzbekistan

Unemployment rate among youth considerably exceeds the level of unemployment among adults.

Enhancing women's rights in Uzbekistan

The Committee urges the Government to take urgent measures to prevent the decline in the number of women in higher education. Despite this, for

the first time in six years, investigations, prosecutions, convictions, and incarcerations increased.
