### **The Strange Death of Buster Crabb**

Red spy queen: a biography of Elizabeth Bentley. Philby learned one of the suspects was Maclean.

### **The Strange Death of Buster Crabb**

Blunt was stripped of his knighthood and for the remainder of his life could not show his face without being recognised. Pursuing their main objective, the penetration of the British intelligence agencies, Burgess's controllers asked him to cultivate a friendship with the author David Footman, who they knew was an officer.
