nations on God's side and the imperialist nations on Satan's side.

**The period of the reformation, 1517 to 1648, (Book, 1873) [localize-img.justmote.me]**

Since the goal of every religion is goodness, every one of them belongs to God's side.

**The period of the reformation, 1517**

After these are achieved, we establish the foundation for the Messiah, which is even more internal. The theses debated and criticized the Church and the papacy, but concentrated upon the selling of indulgences and doctrinal policies about purgatory, particular judgment, and the authority of the pope. Dialectical materialism denies the existence of any spiritual reality, setting up an explanation of the universe based on a wholly materialistic logic.

**The Reformation 1517**

Bishops and priests often exploited their offices to lead lives of luxury and decadence. To someone ignorant of God's providence, their action might seem evil and cruel; nevertheless, it was just in the sight of God. In his Critical Philosophy, he assimilated the conflicting theories of empiricism and rationalism.

**The period of the reformation, 1517 to 1648, (Book, 1873) [localize-img.justmote.me]**

He displayed the form of having fulfilled the blessing of multiplying children by advocating Pan-Germanism, and displayed a form of dominion over the creation by implementing his policy of world hegemony.

The English and American democracies, on the other hand, were founded by sincere Christians, the fruits of the Abel-type view of life, and were born out of their victorious fight with absolutism to win religious freedom. The Thirty Years' War between Protestants and Catholics was fought on the soil of Germany.

As has been the case in the past, when the new expression of truth appears, it may contradict the old expressions of truth in which many people have believed. They will make possible the realization of God's ideal world, for which God has labored with unremitting tears over the centuries of human misery since the Fall. The Reformation spawned philosophies and religious teachings which developed a multi-dimensional view of life seeking to realize the God-given, original nature of human beings.

### **The Reformation 1517**

To have full cognition, one must possess certain forms of intuition and thought which are a priori and transcendental with which to unify the various contents which are a posteriori and experiential through a synthetic judgment.
