### Debate Argument: IVF Debate

Pro Ethical issues are still growing, but the technology for IVF is continuing to improve year after year. It's likely that new technologies to help older couples have children will only be accessible to those wealthy enough to afford them.

### Designer Babies, PGD, Genetically Modified Babies, GM Baby

She had to fight a protracted and expensive legal battle to get him back.

### The Past, Present, and Future of Baby

I like the entire idea of being able to choose the sex of the baby.

### Advances in Fertility Technology Could Change Everything
