Is ROTC in Graduate School Right for Me? Was the school a bad fit, or is it the area of study? These frequently asked questions can help prospective transfer students get a better understanding of the graduate transfer process. You will find a variety of role models, and if you are not aware of other first-generation students on your campus although there probably are some, you will certainly find role models among graduate school alums who are out in the world doing amazing things and willing to speak with you. ROTC offers several benefits for graduate students.

How to Transfer in Grad School: Tips for Master's & PhD Students

Whether or not credits earned outside of a degree program will transfer into a degree program depends on the particular courses taken and whether or not a student's prospective graduate school deems the coursework appropriate and equivalent to coursework within their program.

How to Transfer in Grad School: Tips for Master's & PhD Students

If such groups or spaces do exist, and you do not already engage with them, reach out to their leadership or organizers to learn more. As with traditional transfers, credit transfer between online and on campus programs may be determined on a case-by-case basis.
