Royal Mail Technical

Gerhard Helle, First Secretary, Universal Postal Union, Berne. Postal addresses that appear in printed matter, databases, and on the Web can be found in all three formats. Different countries use different terms for postal codes e.

A guide for business customers

Would thin card be going too far? The city or town name must not be translated. The prefecture can be omitted for large cities, as can the -shi or -to suffix; thus the address above could also be written: Mr.

Royal Mail Technical

Craig Hartnett Zambia, Zimbabwe, Rhodesia, Nyasaland. Businesses and carriers will then have six months to prepare for new customs requirements, from the date of publication of Government guidance on these arrangements in due course. To find out more please visit and search for the Offensive Weapons Act.

How to Use Leaflet to Promote Your Business

Advanced Search Preferences Language Tools. Examples: OSHKOSH WI 54901 5-digit ZIP FRANKLIN SQUARE NY 11010 5-digit ZIP NEW YORK NY 10025-7799 ZIP+4 FORT RICHARDSON AK 99505-5700 ZIP+4 Uppercase is used, as recommended by the USPS, for ease of automatic scanning and application of bar codes.
