Young Research Library Department of Special Collections, A1713 Young Research Library, Box 951575, Los Angeles, CA 90095-1575. Some of the early innovations by Chief Vollmer and this department were: In 1906, the department installed a basic records system One of the first in the United States ; In 1906, installed the first Modus Operandi MO System; In 1907, first use of scientific investigation Kelinschmidt case - analysis of blood, fibers and soil. Nudleman, Commissioner Riley, Assistant Fire Chief James Dillane, Harry Freeman.

1930s

We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. Many police historians and researchers claim Vollmer as the father of modern professional policing in the United States.

LAPD CHIEF OF POLICE

First row: Mike DeCicco, Mr. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc.

1930s

He also formed the 300-man Crime Crushers Division, forerunner of today's Metropolitan Division, to focus personnel resources on high-crime areas. His progressive thinking and use of new innovations in law enforcement became the foundation that our department has built on. The WomenStrength program is doing a study on the effectiveness of taking self-defense classes.
