## The Hickenlooper Amendment Limits U.S. Aid to Latin America · SHEC: Resources for Teachers

Work with allies in the hemisphere to use diplomacy and targeted sanctions to press the Nicaraguan government to end political repression and human rights abuses, so that civil society and political actors can organize freely, and negotiate reforms that will make genuinely free and fair elections possible.

## Containment of U.S. Military Aid to Latin America, 1944

Send clear, strong, and consistent messages that supporting rule of law and anti-corruption efforts are a top priority. With its series of executive orders and a proposed immigration reform bill, the Biden administration made clear on its first day in office that it is initiating a 180 degree turn away from the Trump years in many policy areas. Restore key commerce and Treasury Department regulations to where they were pre-Trump presidency.

## Legal Imperialism: American Lawyers and Foreign Aid in Latin America

Through private and public diplomacy, send strong messages that the Biden administration cares about defending civic space and discouraging authoritarian practices.

## Legal imperialism : American lawyers and foreign aid in Latin America / James A. Gardner

This is not how a serious American administration conducts foreign policy. Their claims have already been processed.
