Reading List

No, the program is open to anyone, regardless of Mensa affiliation or membership.

Reading Lists

It explained why we all make — quite often — unwise choices due to a lack of information. The form must be completed by hand. Shelley explores the moral and societal dilemmas of scientific exploration and the ethics and responsibilities that stem from it.

Reading List

Although I may not be African, do not wear lipstick often, and quickly get tired from high heels, I felt she was speaking about me. Death basically gives up her job yes, death is a her in this book.

Guided Reading for Every Student's Level

Bevelin is an excellent writer and he captures the wisdom from Charlie Munger in a perfect way. You may select up to five titles from any grade level reading list to replace five titles from the nonfiction list.

88 books to enjoy this summer: the TED reading list

Silvergate, Brave New World by Aldous Huxley, Term Limits by Vince Flynn, The Art of War by Sun Tzu. I loved how it bridged some of my favorite genres — fantasy, historical fiction and mystery. Best General Personal Development Books — The best self-help piece that is ever written.

88 books to enjoy this summer: the TED reading list

Williamson has written many books, but this one is my favorite. Readers can also listen to audio books or read the books online. I always keep a

few copies of it at home to offer as gifts to good friends.

88 books to enjoy this summer: the TED reading list

One thing is sure: Without habits, those things will be extremely difficult to pull off. Thanks to everyone who has left a review on the App Store, shared Reading List with their friends, or messaged on Twitter or via Email. It's been in the works for many months and includes some very frequently requested features.
