## Housewife Assassin: The Housewife Assassin's Handbook : Book 1

The Housewife and the Assassin is light and fast and a pleasure to read. Susan Trott has written a daffy exuberant novel. Donna Stone's husband is a spy and is killed.

Unaware of her impending doom, Augusta grapples eagerly with her sudden transformations for the good. The novel is much darker than the first as this one is not only about saving the world by finding and killing the bad guys.
