## Dragon 32

The controversy arose with a part of the game which required you to collect tissues dropped at the Wailing Wall in Jerusalem. To do this he must build a house by collecting rocks and putting them in the right place. INSIDE THE HOME COMPUTER REVOLUTION OF THE 1980s The home computer boom of the 1980s brought with it now iconic machines such as the ZX Spectrum, BBC Micro, and Commodore 64.

## Dragon 32

Some of them are still being produced, such as the and.

## ZX Spectrum: A Visual Compendium

More than 80 electronic existed, many in Russian. It lacked multiplayer, but there was just a little more to it than its rivals.

## World of Spectrum

I was torn between saluting either the 128k version of Bionic Commando or Midnight Resistance both of which were strong in the audio department, incidentally , and the former won on points.

## ZX Spectrum

They also sold the as the Zebra FDD 3000 in a silver case as opposed to the European black cases to match their colour scheme. Altwasser received a patent for this design.

## Dragon 32

The introduction of the ZX Spectrum led to a boom in companies producing software and hardware for the machine, the effects of which are still seen; some credit it as the machine which launched the UK IT industry.
