Hysteria : remote causes of disease in general; treatment of disease by tonic agency; local or surgical forms of hysteria, etc. : six lectures delivered to the students of St. Bartholomew's Hospital, 1866 : Skey, Frederic C. (Frederic Carpenter), 1798

Vaccine ingredients and the Vitamin K shot Some of the most poisonous substances to the human body are in vaccines.

Hysteria. Remote causes of diseases in general. Treatment of disease by ...

I was labeled 'unsuitable' within a half hour of voicing my concerns for the babies! This is the same industry that makes vaccines. The portrayals by Dumas and Murger in turn inspired operatic depictions of consumption in Verdi's and Puccini's. I think at this point in my life, I would say that no one should be getting any vaccine.

Hysteria Remote causes of disease in general. Treatment of disease by tonic agency. Local or surgical forms of hysteria, etc. Six lectures, delivered to the students of St. Bartholomew's Hospital, 1866. (eBook, 1868) [localize-img.justmote.me]

Like most pro vaxxers, I truly believed vaccines were safe and effective. NITRE has done the same service in this disease, that it has done in other diseases which affect the blood vessels. Paul was born 39 weeks, 9 pounds 5 ounces and thriving.
