## BARRELHOUSE WORDS

The casual, often crude, colloquial style of blues expression became an essential building block of rock and roll, which to this day is rooted in informal spoken English. It focused on some 150 words and phrases emphasizing the African roots of the blues, but usually to the exclusion of other possible meanings. Can't wait to start this one, but it might be a bathroom book, considering its genre.

**Barrelhouse words : a blues dialect dictionary (eBook, 2009) [localize-img.justmote.me]**

. Somewhere, at some point in time, the most innocent English expression meant something indecent or offensive.
