Epilogue: Securing the Republic: SEE ALSO:

Her father was arrested for falsifying her age. Students looked to teachers as role models, exemplars of gentility and success in the new land. About 40% of the papers consist of typescript drafts with collateral papers of Katz's published books; and miscellaneous essays, lectures, reviews and other writings.

Bullied

Data from the 1870 census concerning the number of child laborers spurred the first widespread recognition of the problem. Despite rosy descriptions of shifting the focus of instruction from the teacher to the student, I found that this group approach to instruction yielded discouraging results.

November 20, 1835: The New York Committee of Vigilance Founded

Digital Revolution and the Future of Textbooks The future of traditional history textbooks in Texas and beyond may be dimming as digital technology grows.

Religion in Schools in the United States

Party politics played a role as well. Ray Chambers, a Newark native who made a fortune in private equity and for decades had donated generously to education, learned of the deal and offered to coördinate a million-dollar gift from local philanthropies as a show of community support.

Even though defenders of religious minorities may say that individuals have exit rights, Okin is concerned if this is truly an option for most people, especially young women who are the most oppressed in these systems. Included are papers relative to a proposal to establish an Institute for the Study of Sex in Society to serve as a focal point for research on sexuality from a social, historical and public policy perspective.

November 20, 1835: The New York Committee of Vigilance Founded

To survey popular media, particularly cable news, one might depict the current state of tension between those advocating for more religion in public schools and those advocating for its removal in the following way.

Reform Schools and Charity Schools

An attempt by President Franklin Roosevelt to eliminate child labor via executive action through the National Industrial Recovery Act also was defeated when that law was found unconstitutional. Those in opposition were 10 Southern Democratic and the 2 Republican Senators from Pennsylvania, a state with more child toilers than all of the Southern states combined. Others are concerned about minority voices within particular religious groups Okin,.
