Add a curved line to the roof to give the appearance of snow. How does the addition of one object audio, visual redefine another object next to it? That is a VERY long route.

#SundayStills: Parallel Landscapes

It seems that Steinbrüchel was waiting for the right moment to release such an illustrious album that is not only a release of music but of visual art as well. Make a cross above the door.

How to Draw Landscapes

Level Two - The Bubble Universe This theory has the universe living in a giant bubble with other universes living in other bubbles. How does the addition of one object audio, visual redefine another object next to it? Add short, squiggly lines to the distant tree. We are offering a reduction in the fee beyond the standard timeframe.
