### Islam is the Complete Code of Life

Nor does Islam regard asceticism and lifelong celibacy merely as being of no benefit; it sees them as departures from the nature of man and as acts of revolt against the Divine scheme of things. Ahmad, Baihaqi The Prophet, blessings and peace be on him, has laid so much emphasis on being considerate to neighbors that he has advised that whenever a Muslim brings home fruit for his children he should either send some to his neighbors as a gift, or at least take care not to offend them by throwing the peelings away outside their door. Each member of a society must fulfill his own obligations and rely on others to fulfill theirs before that society can acquire the necessary reservoir of social rights and privileges which can then be shared by all.

### Islam is the Complete Code of Life

We should be careful while doing trading, buying and selling in our daily life so that we are not doing unjust with anyone.

### The Social System of Islam

The narrator said that one day an old blind person passed by him begging. Besides the guardian of the child or someone authorized by him, no one is allowed to physically punish a child when he commits a forbidden act or causes harm to others.

### Social life in Islam

Islamic code of life teaches us about the fulfillment of their rights and we should fulfill all rights respecting to each individual. Moreover, although women and men are subject to the same religious obligations—such as prayer, fasting, pilgrimage to Mecca—women pray separately from men. Instead, God appointed certain good people from among the human society itself to guide men to the right path.

### The Islamic Concept of Life

Question: If a mother advises her son to divorce his wife with whom she has differences, is it obligatory upon him to obey her in this matter? It is reported that the Prophet once entered a mosque and saw at prayer a venerable old man with a long white beard.
