Gender equality

If gender budgeting is predominantly based on the index-based empirical description of gender-specific outcomes, a reexamination of the construction of the gender inequality index is needed. National and racial identity are evident, for instance, in mobilising demands concerning land claims in the ex-settler societies of South Africa and Zimbabwe Hammar et al. Among bills on the table that would help fill in the gaps, the Paycheck Fairness Act—introduced by Rep.

Special Issues: Gender Roles in Media

The above examples clearly demonstrate that the gender wage gap is not unique to the United States, where women still earn 80 percent of what men earn. Cuts to public services impact women more severely than men because they earn less, live in greater poverty and rely in higher numbers on welfare benefits.

Special Issues: Gender Roles in Media

Spelling it out: from alphabet soup to sexual rights and gender justice. Gender audits are a type of social audit—rather than a solely financial audit—that aims to determine the effectiveness of gender equality programming. Working within this framework, Rwanda improved on key education and health indicators at a faster rate than other African countries.

OHCHR

Gender equality in the OSCE region is improving but significant inequalities persist. Kollar, Income and Poverty in the United States: 2015 U. Causes of the gender wage gap What is the gender wage gap? More recently, the Obama administration undertook several executive actions to address wage discrimination and implement work-life supports.

Gender budgeting: A tool for achieving equality

While queer theory embarked on the elaboration of critical theories on sexuality, many feminists have upheld the reservation that queer theory fails to provide an adequate theorisation of the common structural subordination of women across the globe McLaughlin et al. These large firms will be

required to publish data on their websites. Individualisation, Capitalism and Sexuality Individualisation of identities—with effects particularly for sexual identities—is an underlying theme in a number of contributions.

Race, Gender, and Disability (forthcoming)

The gap ranges from 36. Security The OSCE supports the implementation of the. The key insight from the workshop is that budgeting — through taxes and expenditures — can be an important tool for achieving greater social equality.

Race, Gender, and Disability (forthcoming)

These themes are taken up by several articles within this journal issue. The GEs should appoint a Lead GE LGE , who will manage the review process and act as the contact person with the administrator of the journal. Our view is that the debates on intersectionality will be able best to enrich our understanding of questions relating to gender, sexuality and political economy to the extent that they reconcern themselves with class and stratification Yuval-Davis ; see Anthias and in this volume.

Billions Going to Foreign Aid in Bill: Gender Programs in Pakistan

Racialized boundaries: race, nation, gender, colour and class.
