## Article 4: Freedom from slavery and forced labour

In fact, it ended five days after Pearl Harbor on Dec. Initially, states passed discriminatory laws to arrest and imprison large numbers of Black people, then leased prisoners to private individuals and corporations in a system of convict leasing that resulted in dangerous conditions, abuse, and death.

## These Appalling Images Exposed Child Labor in America

How much money does the state save by utilizing slave labor? Our ruling: True We rate the claim that convict leasing, an example of systemic racism, was used to force Black people into unpaid labor for private and state industry as true. Over the 80-year period before the system was formally ended in 1941, he estimates tens of millions were either forced to live on a farm, in a lumber camp or forced into convict leasing by the justice system.
