Introduction to Freedom School Curriculum (A02)

Launching it into outer space is a bad idea.

Chapter 19. Choosing and Adapting Community Interventions

The reform has the potential to change completely the undergraduate mathematics curriculum and to throttle the normal process of producing a competent corps of scientists, engineers, and mathematicians. An organization founded to combat the 20% global illiteracy rate, uses research and advocacy to improve literacy in communities around the world. The questions raised by the Freedom Schools and their predecessors are profound.
