. Last fall, people on that board two innocent individuals for the Umpqua Community College shooting. Faithful Heinrich had been so saddened by his master's transformation into a frog that he had had to place three iron bands around his heart to keep it from bursting in grief and sorrow.

### Aboriginal Art Dreaming Stories

She opened the door, and the frog was sitting there. Here's my highly detailed original drawing of a Leopard Frog on a lily pad, surrounded by duckweed on a pond. I chose the color and look of the frame for this particular series because I felt the style lent itself well to nature and the warm color of the black wasn't too stark for the images they frame.
