The Psychological Treatment of Depression: A Guide to the Theory and Practice of Cognitive Behaviour Therapy by J. Mark G. Williams

The review authors also used the TCS, but they did not go beyond identifying the number of studies that met each TCS item and the specific theory on which each intervention was based. .

The fear of fear concept: Evidence in favour of multidimensionality

Tinetti ME, Fried TR, Boyd CM. Consequently, we decided to focus solely on categories 1—3 of the TCS for the purposes of this in-depth narrative review, as these categories explore how the researchers have used theory in developing their interventions. It was also determined whether the dimensions are differentially related to a variety of state and trait measures of psychological functioning.

The Psychological Treatment of Depression: A Guide to the Theory and ...
