### Annual Casework Report 2019

The Digest includes a selection of data from many sources, both government and private, and draws especially on the results of surveys and activities carried out by the National Center for Education Statistics NCES.

### Digest of Decisions

For example, Pfizer, one of the largest drug companies in the world, may have pending patent lawsuits and drug liability claims that may exceed hundreds of millions of dollars. While there are some clear lines, there are several categories such as utility fees of potential expenditures of airport revenue that are not as clearly defined.
