Through letters, private diaries, intimate stories and public records, the prevailing ethos of each decade is explored: the Free Love debate; moral fears in World War I; the sex psychologists; the Bright Young Things; gay life in the 1930s; secret sex and World War Two; the sixties and the pill, gay rights, rape laws; changing ideals of marriage and of sex in relationships. This is a secret history showing how personal happiness has been successively pitted against the demands of social order.
