Elegy Written in a Country Churchyard

Visual details in the Elegy and The Bard evoke the themes and images of earlier Roman and Bolognese painters. Living a melancholic life, he faced much misery and had to shed tears frequently.

Elegy and personae in Ezra Pound's 'Cathay.'

In 1750, the death of his close friend stimulated him to brood on the philosophy of death.

Elegy Written in a Country Churchyard Essay

London and Harlow: Longmans, 1969, 117.

Thomas Gray, "Elegy Written in a Country Churchyard"

I have never seen it, for when I consulted the Wharton Letters there, the Elegy had been taken out for exhibition.

Nuova pagina 1

The presentation of the contrast between the destiny of the rich and the poor, is based on conventional views.
