Church

The Bloc Québécois has repeatedly asked the government to provide assistance to seniors. Jumpstart NY, a statewide initiative of the Public Service Commission, aims to enroll 250 families.

Church

Will you green-light that plan— The Speaker Hon. However, though, facing the full power of the unions—I have to commend two students, Erica Boer and Taylor Cloutier, both students at Huron Heights, also in Kitchener.

Geologic feasibility of underground hydrogen storage in Canada

Estimation of Effective-Fracture Volume Using Water-Flowback and Production Data for Shale-Gas Wells. I am happy to say that we are going to be looking forward to taking the next step when it comes to the new hospital in Niagara. This practice in general is problematic, I believe.

Evidence

There's only so much of it and burning lots and lots of petroleum, as humanity has learned, has dire consequences - environmental, political, and economical. Any local issues could be negotiated concurrently with the central bargaining process.

Conference papers: 'Bilingual Ontario'

Hydraulic fracturing involves high-pressure injection of millions of gallons of chemical-laced water into a well to crack rock and release gas. Paterson, Congressman Steve Israel, and Legislative Leaders today announced the passage of the municipal clean energy loan program legislation.
