War: Memoirs of a World War II Infantryman, 1940

I am aware that firing on another human being would be awful to recall and worse to recount but it is nevertheless something one expects in a war memoir. Generally this device adds to the text revealing Arn's attitudes during the war - very interesting regarding the various times he was bombed by his own airforce! Edited and annotated by Jerome Mushkat, this memoir is an exceptional account of a man who came of age during the World War II generation. He is even involved in a couple of notable events, meetings and 'firsts'.
