### Left Handed: Bad science and bad attitudes are the problem, not the left hand

Upon proving that the culprit that hit him with a sword did so with their right hand, Kay says that Lance, the person who Edgeworth suspects did it, is left-handed. Catherine Eddowes: - by Trevor Marriott 28 minutes ago.

### Casebook: Jack the Ripper

What was the association in Dr Llewellyn's mind between murder and left-handedness? However, the main suspect in the murder has recently sustained major injury to his right arm and thus could not hold a gun in his right hand or fire two very accurate shots with it.

### Left Handed: Bad science and bad attitudes are the problem, not the left hand

Tanned pages and age spots, however, this will not interfere with reading. In future episodes, he plays it straight.

### The Killer Was Left

The noose that killed the victim was tied by a left-handed man, but the noose outside her window was tied by a right-handed man. This meant the graffiti had to be written from right to left in order to prevent smearing and thus the culprit had to be left-handed. There was another peak of interest in the 1930s, but serious study did not really take off until the 1970s.
