There is a dearth of research on trompe l'oeil aesthetics in ceramics and its relation to the emperors. Dream of the Red Chamber contains an extraordinarily large number of characters: nearly 40 are considered major characters, and there are over 400 additional ones.

Guo Yuan (Zini)

Her argument is well supported by the existing objects in the collection of the National Palace Museum.

In 1819, a short excerpt from chapter 3 was translated by the famous British diplomat and sinologist 1795—1890 and published in the London Journal Quarterly Review. As the author details in the first chapter, it is intended to be a memorial to the women he knew in his youth: friends, relatives and servants. Gu lan jing da yi zhu shi.
