Farm Mystery: The Happy Orchard Nightmare

Colossal amounts of precious and limited minerals, raw materials and other resources are being rapidly and wastefully consumed, and in such a way that land, air, and water are spoiled and poisoned in the process.

Monthly Review

The Khagan presides over the KEH ILLA Board of Directors , composed of 13 JEWS, most of whom are International Bankers. W hite was exposed later as a Soviet spy.

Colossus (character)

All, after their government stints, found employment with the ILLU M IN ATI, usually on Wall Street. But hang-ups and hanging back on our part can cost very, very much in terms of what it takes to do the job and how soon we too as a people will be liberated from the consequences of imperialism and capitalism.

The Imperial Lament

. If the new left essayists will take the time to read more carefully the Communist Manifesto and some of Lenin, that will be a very great gain for the movement. All efforts for North-South peace failed.

Finally, Man in the High fascist fantasy ends amidst America's sobering reality

Therefore all industrial undertakings will come into dependence upon us. . Protocol 15: We shall slay without mercy all who take arms to oppose our coming K i ngdom

Imperial shadows, democratic visions

Being unready to detect and correct bad theory, they turned to the concept of direct action.

The Movement and The Workers

The administrators, whom we shall choose from among the public with strict regard for their servile obedience, will not be persons trained in the art of government, and therefore will easily become pawns in our game, in the hands of men of learning and genius who will be their advisors: specialists bred and reared from early childhood to rule the affairs of the whole world. Promised Land, Crusader State: The American Encounter with the World since 1776.
