A chamber of commerce, consisting mainly of silk manufacturers, was established in 1886 but did not flourish. The wheels possessed by John Wood in 1672 may indicate that he was twisting his own yarn.

Handbook of Natural Fibres

A Leek parliamentary division covering north-east Staffordshire was created in 1885 as one of seven new divisions for the county. Leek became involved in the Chartist unrest later in 1842. William Travis 1781—1875 started on his own account as a clock maker in Market Place when he came of age.

Use of bitumen encapsulated cigarette butts in stone mastic asphalt

The failure of the state to apply the most basic regulation of capital, had ensured the oligarchic forces being given favourable access to cheap loans, credit support for failing business ventures loans and high profitability with minimum capitalization requirements.

Prof. Virginia A. Teodosio, Ph.D.

Hitchcock, an iron and brass founder, who was running the foundry in 1904.

Natural fibres: An opportunity for job creation and improving livelihoods

Long-term weather forecasting as an input into agricultural planning. UNFCCC , COURCHESNE, M Canada , ELLIS, J.
