I appreciated the ratings of easiest to more difficult for each activity, so I could kind of weed out what would work for me. Important links for information and news Posted in , and tagged , , , , , , , , , , , , , on by.

Discovering the great cave murals of the Baja California peninsula

The art projects are all very doable for children, but are not dumbed down like a couple of other books I have encountered.

Discovering the creation era of ancient paintings at Mogao Grottoes, China

Just think, here is a little square of blue, there is an oblong of pink, here's a steak of yellow, and paint it just as it looks to you, the exact colour and shape, until it gives your own naive impression of the scene. Also included is artist style including such examples as abstract, cartoon, Cubism, Impressionism, folk art, Renaissance, and many others. I believe this book, as well as many other books from the children's section, gives a great reference to teens and adults who want to learn more about the art masters and to learn the techniques first-hand.

Exploring The Great Artists

Wonderful learning device, and lots of information about the artists themselves as well as the time and place the works were created. We look forward to fulfilling your next book order and if for any reason you are not completely satisfied please let us know.
